Finding Books at Crown Library

How to Search Via Keyword

Go to the Library homepage at http://www.dom.edu/library, enter your search term and select Keyword from the dropdown menu and then click Find.

This will bring up 15 search results for servant leadership.
**HOW TO NARROW SEARCH RESULTS**

You can narrow your search results by using the Narrow Your Search bar on the far right of the page. You can narrow by **Author**, **Topic**, **Subject Area**, **Language**, & various other ways.

**SELECTING RESOURCES**

Select a resource by clicking on the link in the title, which will bring you to more information about the resource.
If this is an electronic resource, follow the directions to get an electronic copy.

If the resource is available in print, it will have a green Available sign if it is available through Dominican University.
When you select a print book, the results page will default to the location and availability tab. You can even have the call number (the address of the book within the Crown collection) location texted to you. Books with call numbers A through N can be found on the first floor of the library, and those starting with P through Z on the second floor.

When you've selected the appropriate book, bring it to the first floor circulation desk and check it out.
