Finding Books Using Advanced Search
This handout will show you how to find specific kinds of materials.

1. Start an advanced search:
   - Go to the Rebecca Crown Library web page: www.dom.edu/library.
   - Under the “Books & More” tab, click on “Advanced Search.”

2. Narrow your search criteria:
   - Enter your search terms in the search boxes. You can select searches by keyword, title, author, subject, or ISBN/ISSN by using the dropdown menu.
   - You can limit your search by selecting any of the following: publication date, version, language, and formats and media.
3. Finish searching:
   - Click the “Find” button at the top or bottom of the page.

4. View your results:
   - A results page will open with a list of items related to your search.
   - You can click the options on the right side of the page under “Narrow Your Search” to find the materials that you want.
