Finding Articles in Academic Search Complete
This handout will show you how to find articles in the database Academic Search Complete.

1. Search Academic Search Complete:
   - Go to the Rebecca Crown Library homepage: www.dom.edu/library.
   - Click the “Articles & Databases” tab. Type your search words in the search bar and click Search.

2. Narrow down your results:
   - A results page will open with all the articles that match your search.
   - Use the sidebar on the left side of the page to narrow down your results by date, type of publication, or subject.

3. Information about the article:
   - The results page tells you some information about the article: the title and author, its source type, and if it’s available in Academic Search Complete.
   - Click the title to find more information about the article and to get the full text.
